### REGISTRATION DEADLINES

See softball information page online at <https://playgroundsports.com> for most current registration details and deadlines. COVID-19 may impact start/end dates and league format, no playoffs.

### REGISTRATION PROCEDURES

All registrations can be completed online at <https://www.playgroundsports.com/>. All players must have a Playground Sports account in order to register. Accounts can be created here: <https://playgroundsports1.leagueapps.com/signup>.

### TEAM ROSTER

Rosters must be completed online prior to the start of the first night of play. There are two methods for setting up your roster.

1. Captains can send out roster invites through their account by entering a list of emails.
2. Teammates can register as a "team player" from the registration page and choose their team under the drop down list after the captain has registered the team. This option is available until registration closes.
